Dear Sir:

Further to our petition sent by fax dated May 06, 2005, I would like to make a supplementary statement in the renewed petition as follows:

After searching and noting the status (abandonment) of my application through USPTO website-Patent Application Information Retrieval following several telephone calls made to USPTO, I, the applicant hereby contend that the office action was never received from USPTO, and petition to withdraw holding of the abandonment for the above referred application.

The applicant also confirm that the correspondence address was in fact at P.O. Box No.6-57, Chung-Ho, Taipei 235, Taiwan, R.O.C. during the time period the Office Action was supposed to mail in accordance with the mail date June 15, 2004 as indicated in USPTO website-PAIR.

According to the local agent at applicant's correspondence address who would have checked and handled the office communication routinely on every week, a thorough search and investigation of the file jacket and docket records has been done indicating that the Office Action in question was not, in fact received from USPTO. In order to support the fact for failure to receive the Office Action in question, copies of the docket records maintained by the local agent (3 pages) recording mail delivery received from USPTO during the reasonable period after the date of Office Communication are attached herewith for reference.

In view of the evidence adequately supported, grant of the petition and also re-mail of the Office Action is respectfully requested.
